Education

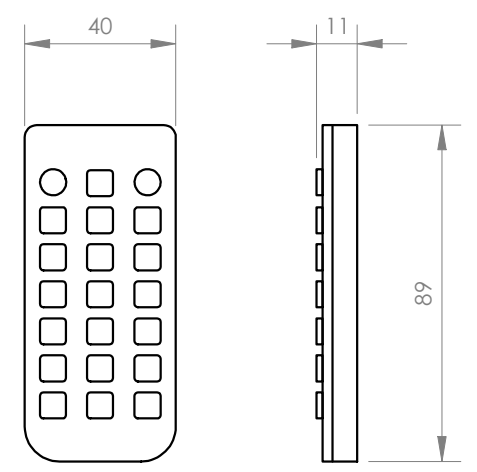

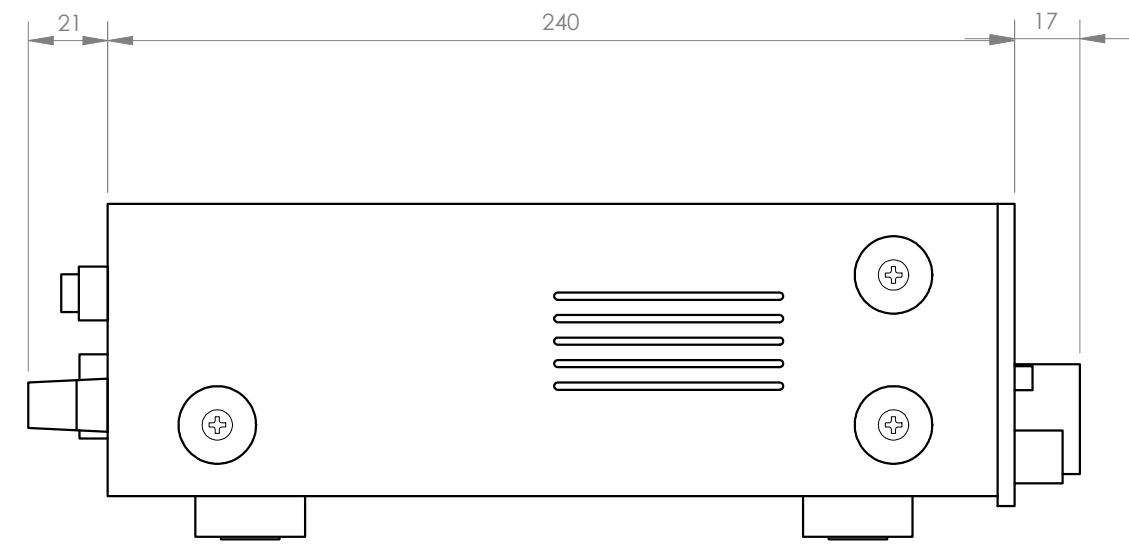

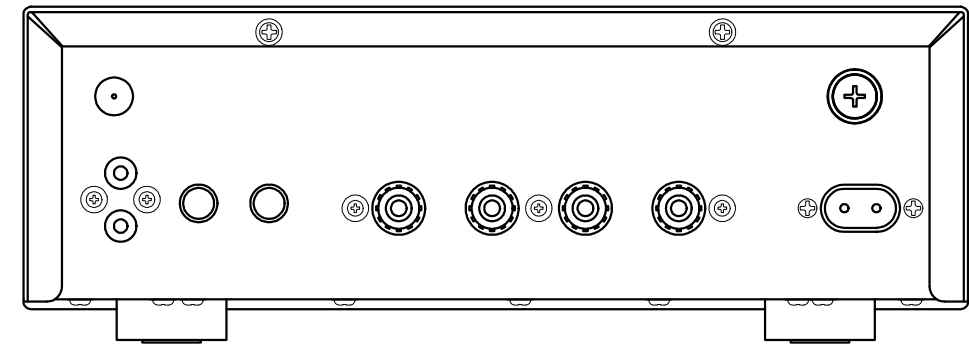

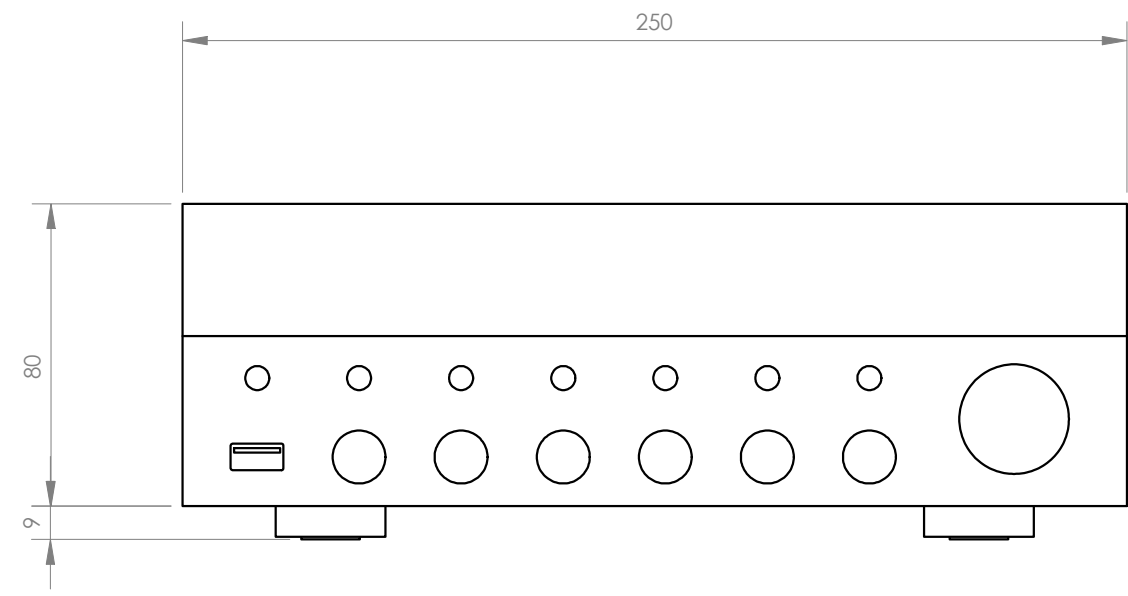

Offices

## DESCRIPTION

Hi-Fi stereo amplifier with Bluetooth USB and FM radio player. Amplifier with unique FONESTAR design, high reliability and precision during playback. An exceptional finish with a brushed aluminium front and high contrast high visibility LCD display. Stylish and practical design, can be integrated into any furniture, whether for home or professional use. A wide range of playback options (Bluetooth, USB y FM) and audio inputs make it highly versatile and adaptable. Two microphone inputs to use as Karaoke and sing over your favourite songs. Powerful, distortion-free sound that provides a precise playback of your music. Intuitive to use. For home or professional use: home, bars, pubs, restaurants, commercial premises, educational centres, etc.
